TELSTAR SKIERS NAMED TO MARA

The seven Telstar Regional High School students above have been named to the Maine Alpine Racing Association team for the USSA Eastern Championships. Left to right: Robby James, Chris Mills, Bryan O'Donnell, Jon Owen,

FROM THE bethel town office

The Selectmen met in regular session at the Bethel Savings Bank meeting room on Monday evening. The majority of the meeting was spent discussing the alternatives regarding the purchase or lease of a new grader, the lease of a used grader, or the repair of the grader owned by the town since early 1965. The Selectmen will discuss the issue further at a special meeting Monday, March 1, at the Bethel Town Office. Other business conducted was a review of grant applications for Community Development Block Grants with Charlene Chase of Oxford County Community Services and with Ted Grover who is a member of the Androscoggin Valley Regional Planning Commission.

An ordinance to be considered at the Annual Town Meeting was approved dealing with giving the Selectmen authority to appoint the Manager or the Clerk to the position of Tax Collector and Treasurer. The Selectmen would like the flexibility to appoint someone other than the Manager. When the Town voted to adopt the Town

WORLD DAY OF PRAYER AT WEST PARISH CHURCH FRIDAY, MARCH 5

World Day of Prayer, an international celebration sponsored in the United States by Church Women United, will be held March 5, 1982, at the West Parish Congregational Church at 1:30 p. m. This annual service unites millions of people in prayer services occurring on six continents during a 24-hour period.

This year's theme is "The People of God: Gathered for Worship, Scattered for Service". The text was prepared by women of the Republic of Ireland and of Northern Ireland. They worked ecumenically at a Christian renewal center near the border of the two Irish states.

All are welcome to join with women of the community in this celebration.

Manager form of local government they voted that the Manager had to be the Collector and Treasurer. It is particularly difficult for the Selectmen when a Manager resigns. This would enable the Clerk to be appointed at that time or any other time.

BETHEL HISTORICAL SOCIETY TO MEET MARCH 4

A historical film festival will be the featured event at the monthly meeting of the Bethel Historical Society to be held Thursday evening, March 4, beginning at 7:30 in the meeting room of the Dr. Moses Mason House. Two films will be featured which represent two types of historical films available today. The first is the historical report "A Measure of Change" which records the success of Newburyport, Mass., in preserving its valuable heritage. The second film re-creates a historic event, in this case the Battle of Culloden. In 1746 Bonnie Prince Charlie returned to Scotland from exile in France in a final attempt to reclaim his throne. The forces of George II of Hanover, the reigning British monarch, pursued Charles' followers with bloodthirsty zeal to the highlands of Scotland for the last battle fought on British soil. Using a modern documentary style, director Peter Watkins imparts to this infamous historical battle a sense of contemporary urgency one usually associates with television news coverage. The audience is eyewitness to one of the most mishandled battles ever fought, including the post-battle campaign waged by the British against the highland population.

As is the case with all historical society meetings, anyone interested is cordially invited to attend. Refreshments will follow the program.

**UNITED STATES OF AMERICA
FEDERAL ENERGY
REGULATORY COMMISSION**
Central Maine Power Company
Projects Nos. 2530-001
and 2530-002

**NOTICE OF APPLICATION FOR
NEW LICENSE AND
AMENDMENT OF LICENSE
(February 4, 1982)**

Take notice that two applications were filed with the Federal Energy Regulatory Commission on December 7, 1981, under the Federal Power Act, 16 U.S.C. § 821(a) (25)(r) by Central Maine Power Company (Applicant), for (1) an amendment of its existing license, and (2) a new license for its Hiram Project, FERC No. 2530. The project is located on the Saco River in Cumberland and Oxford Counties, Maine. Correspondence with the Applicant on this matter should be addressed to: Mr. Charles E. Monty, Senior Vice-President, Engineering and Production, Central Maine Power Company, Edison Drive, Augusta, Maine 04336.

Project Description—The Hiram Project presently consists of (1) a 249-foot long concrete overflow dam with a maximum height of 30 feet with 4.66-foot high hinged steel flashboards; (2) a 102-foot long gate section integral with the dam containing a deep sluice gate, a log sluice gate, a trash sluice and a Tainter gate; (3) a 25-foot wide, 26.9-foot high intake section integral with the dam; (4) an 85-foot long timber bulkhead section at the east abutment with a maximum height of 26.9 feet; (5) a 25-acre reservoir with a usable storage capacity of 572-acre feet at elevation 349.0 feet (U.S.G.S.); (6) a 427-foot long, 11-foot diameter wood stave penstock; (7) a powerhouse containing a single 2.4 MW turbine-generator; (8) a 3,000 kVA, 3 phase, 2.3/34.5-kV step-up transformer; and (9) appurtenant facilities.

Applicant also requests that the license for the Hiram Project be amended by changing the expiration date of the license from December 31, 1993, to coincide with the date of issuance of a new 50 year license for the redevelopment and continued operation of the Hiram Project. Applicant proposes to install, under the new license, a new intake structure, trash rack and stop log slots in place of the existing timber bulkhead structure, an additional 330-foot long, 14-foot diameter steel or fiberglass penstock and a powerhouse containing a new turbine-generator unit with a total rated capacity of 8.5 MW to be located adjacent to the existing powerhouse and utilizing the existing dam and reservoir. The redevelopment project would generate an additional 32.6 million kWh annually saving the equivalent of 52,800 barrels of oil or 14,900 tons of coal. Energy generated at the project would continue to be distributed to the Applicant's customers.

Project No. 2530 would also be subject to Federal takeover under sections 14 and 15 of the Federal Power Act. The Applicant has estimated that the estimated net investment in the project would amount to \$332,681 as of June 30, 1981. The Applicant's estimated severance damages as of June 30, 1981, would amount to \$70,000.

Competing Applications—Any one desiring to file a competing application must submit to the Commission, on or before April 19, 1982, either the competing application itself [See 18 C.F.R. § 4.33(a) and (d)] or a notice of intent [See 18 C.F.R. § 4.33 (b) and (c)] to file a competing application. Submission of a timely notice of intent allows an interested person to file an acceptable competing application no later than the time specified in § 4.33(c) or § 4.101 et. seq. (1981).

Comments, Protests, or Petitions to Intervene—Anyone may submit comments, a protest, or a petition to intervene in accordance with the requirements of the Rules of Practice and Procedure, 18 C.F.R. § 1.8 or § 1.10 (1980). In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a petition to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or petitions to intervene must be received on or before April 19, 1982.

Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS," "NOTICE OF INTENT TO FILE A PETITION TO INTERVENE," "PROTEST," or "PETITION TO INTERVENE," as applicable, and the Project Number of this notice. Any of the above named documents must be filed by providing the original and those copies required by the Commission's regulations to: Kenneth F. Plumb, Secretary, Federal Energy Regulatory Commission, 825 North Capitol Street NE, Washington, D.C. 20426. An additional copy must be sent to: Fred E. Springer, Chief, Applications Branch, Division of Hydropower Licensing, Federal Energy Regulatory Commission, Room 208 RB at the above address. A copy of any notice of intent, competing application, or petition to intervene must also be served upon each representative of the Applicant specified in the first paragraph of this notice. MET THURSDAY, FEB. 18**

The 6:30 p. m. Annual Oyster Stew Supper Thursday night at the Legion Hall in Locke Mills was greatly enjoyed. It was prepared by Chef Warren Smith and his helpers. Ginger bread, whipped cream and coffee were also served. It was nice having guests join with the members.

Commander Charlie Mason and President Sylvia Dunham conducted separate business meetings. Secretary Cathryn Lovejoy read the letter from the Americanism Chairman, Carolyn Barry, who was unable to be present.

The Unit voted \$10 for the Special Olympics fund.

Guests at the Post meeting were Department Education and Scholarship Chairman Carolyn Brooks of Bethel, who spoke briefly, and Comrade Dana Brooks.

Commander and Mrs. Charlie Mason, Comrade and Mrs. Warren Smith and Mrs. Vera Cross, attended the Oxford County Council meeting in Norway, Feb. 16. They reported a nice evening.

Historian Grace Smith is working on this year's history. Eldon Bartlett is the Post's Historian. Both hope to submit a history as the State Chairmen are in this area.

It was reported that Eldon Bartlett is still in the Norway hospital and that Dwight Martin is there, also. Marion Jordan is at the Rumford Community Hospital. Donna Roberts is home, as is Charlie Day. Mrs. Cora Bennett is feeling better. All are wished a speedy recovery.

**WOODSTOCK HISTORICAL SOC.
RECEIVES INFORMATION
ON CARRIAGE BUILDERS**

Ruby Emery has provided the Woodstock Historical Society with information on the Kimballs, a family of carriage builders located in Woodstock, Norway, Portland and Chicago. The family members were carriage-builders for nine generations. Their first shop in Maine was located under the west side of the "Whale's Back" in Hamlin's Gore, Woodstock. Later shops were located in Norway and Chicago.

Perhaps the most distinguished family member was Charles Porter Kimball. He was surveyor of the port of Portland and Falmouth and was alderman of Portland in 1860 and 1861. A Democrat, he ran against Governor Penham of Woodstock in 1871. Penham later appointed him United States Central Commissioner from Maine.

Another family member helped establish the Chicago World's Fair and renovated an Opera House to be used as the Capitol of Atlanta, Georgia. The factory in Portland produced carriages with "shining black bodies, set off by hairline stripes of red or yellow around the upper edge and perhaps yellow painted on the shafts and supporting ironwork of the runners. Runabouts, surries, democrats, and a one-seated wagon were common vehicles made at the factory." Charles Porter Kimball built a two-wheel carriage in 1852 for President Franklin Pierce and his father built a sleigh purchased and used by Amos Bryant of Woodstock for more than 50 years.

The Money Series' introductory program, Savings Options, was presented on Monday, Feb. 22, at Telstar High School. This program was presented by Roger Conant of the Bethel branch of the Casco Bank and Trust Co. and Jim Delamater, president of the Bethel Savings Bank. Future programs in the series will include seminars on insurance coverages, collections and incorporation. The next seminar will be held on Monday, March 8 at 7 p. m. at Telstar and will feature Ronald Kendall on Auto and Homeowner Insurance from the consumer's point of view. The programs are free and no pre-registration is necessary.

The folk dancing class which meets on Wednesday evenings, will not meet on March 3, as Pixie Williams, the instructor, will be out of town. The Karate course has been postponed until March 30, by which time it is hoped additional students will have registered. The course will meet on Tuesday evenings for six weeks, and is open to both adults and high school students. The Bethel section of Food Lab will meet on Thursday evenings, not Wednesday, as previously announced.

The Open House for the Mnd Season Adult Volleyball League will be held at the Telstar Gym on March 3 starting at 7. People should come prepared to play and teams will be formed.

Letters to the Editor

To the Editor:

Because we are deeply concerned about the threat of the continuing nuclear arms race to both the security of our nation, and the world, the following article has been placed in the warrant for Woodstock's Town Meeting (March 1): "Shall the citizens of Woodstock hereby request the President and Congress of the United States to take immediate action to halt the nuclear arms race, by proposing to the Soviet Union the adoption of a mutual freeze on all further testing, production, and deployment of nuclear weapons and their delivery systems. And that copies of this resolution be sent to the President, members of the Maine Congressional delegation, and local legislators, so that they will know of our concerns."

Why a mutual freeze on the development of nuclear weapons? Here are some of our concerns: The U. S. and the Soviet Union together possess over 50,000 nuclear weapons. In just 30 minutes, a mere fraction of these weapons unleashed, would result in levels of deaths, diseases, and burns that are unprecedented in human history. The medical community is becoming more and more sure that doctors and hospitals, if not destroyed immediately in a first-strike, could not deal with the aftermath. And yet over the next decade both nations plan to build over 20,000 more nuclear warheads. Many of these weapons would be offensive weapons, called "first-strike" weapons. This shift from a defensive to an offensive policy increases the risks of a nuclear war. It presupposes that we could "win" a nuclear war. Unlike wars in the past, there would be NO winners.

A nuclear arms freeze, would prevent the development of more first strike weapons. The freeze is verifiable. Both the United States and the Soviet Union have the technical means to monitor compliance.

How can one small town make a difference? Because this Spring, our Maine State Legislature will be voting on this issue. Buckfield endorsed it at their January meeting. An affirmative vote at Woodstock's Town meeting (March 1), will let our State leaders know our desire for world peace, and support them in taking action to halt the build-up of armaments, and reduce the threat of nuclear war.

To the Editor:

How Would You End This Story?

There once were two men who had a difference of opinion. They became angry and got into a fight. Both received a black eye and their pride was hurt. One man decided to buy a knife to keep the other man from fighting him. The other man was intimidated so he bought a gun to protect himself. Soon both men had two guns. One boasted he had the latest and fastest gun. The other man worried that his safety was in jeopardy. He bought two more guns that had deadly bullets with poisonous tips. "This will settle the situation, once and for all," he thought. Surely his security was insured. However, the other man soon got poisonous bullets, and the race for security continued. The arsenals became larger. Neither one wanted to be perceived in a position of weakness.

At the present time, each man has so many weapons they could kill each other 20-30 times (even if their aim was very poor.) They also have to be very careful so they won't set off the automatic trigger on their super-sensitive bomb.

No one knows how this story will end. How would you end the story? Will the men ever be secure by accumulating more and more weapons? How could the two best work out their differences? Are you more secure if you can kill your enemy 30 times instead of 25 times?

This story may sound far-fetched. However, it describes, in miniature, many aspects of the current arms races. The United States and Russia have about 50,000 nuclear weapons. 25-30,000 belong to the U. S. This is far more than the amount needed to effectively destroy the Soviet Union many times.

At the present time we have an opportunity to change this situation. There is a growing nationwide support for a mutual freeze.

To: Board members, faculty, students and especially students of Telstar and parents, and also concerned citizens:

Monday as we know was our first president of the United States birthday, George Washington. What did Washington stand for, the American way and what he and we believe in, which is what we are trying to fight for now, something we and many others believe in and care for. The football program at Telstar. Last Monday the football program was cut from the Telstar Athletic budget. So for those who were unaware football at Telstar is over, unless by some miracle it can be reinstated by heavy support by parents, students and concerned citizens that are willing to help. We the students are willing to work to raise money and gain public support to let football live at Telstar. I'm not sure what is being said will help but we can't let football go without a fight! If student participation was low or people in the community didn't stand behind Telstar football we wouldn't be so opposed. Why is football the sport that is being cut out completely. Is it better to cut out a varsity sport instead of for instance J.V. Soccer, Basketball, and Baseball. This is not to hurt other sports but it seems unfair to deprive some students of a sport instead of making other cuts where it wouldn't hurt the students as much. Is school money meant to be spent on Superintendent's Assistants and adult education or for the Students, it takes more than a good education to form a person. Football is an important part of this to many students, playing football requires hard work and discipline, something everyone should be exposed to. It is a very close team sport, it takes a team to play football and the Telstar football team is the greatest and closest team I have ever been associated with. We want to keep it and we need help to do it. And is it such a dangerous sport? I don't recall many injuries in my 5 years of football at Telstar. Players accepted the risk of injuries and I don't think it really bothers them. Don't you think it's worthwhile for kids to want to become involved in the game. The practices and games are tough but to stick with it shows true character and responsibility. I have a lot of respect for anyone who can stick it out through a whole football season, and so maybe there are only 20-25 who finish the season. Isn't that enough? 20-25 kids who really gain something from playing the game. What will it take to keep our football team at Telstar. I am issuing a plea to everyone, give a little support, if you really care about the students, and students if you really care about football, help do something to save it. I hope but am fairly sure I don't stand completely alone on this. Help fight for football and give football the

To the Editor:

If any of the Woodstock citizens missed reading the Sun Regional article, "World Peace Resolution Born in Buckfield" Feb. 22, 1982, I urge them to read it carefully.

We have a similar article in our town warrant calling upon the Administration to negotiate with the Soviet Union a PERMANENT FREEZE on nuclear weapons. As the news article points out, this resolution talks only of a freeze and fails to take into consideration that such action would leave us as a permanently inferior power to Russia. I for one do not want our town going on record as supporting such a resolution. I believe the overwhelming majority of our citizens would feel the same way if they realized that such a freeze could ultimately contribute to the loss of the freedom we enjoy. I respectfully urge all voters to attend the Woodstock town meeting Monday, March 1, and defeat this misguided resolution.

of all testing, production and deployment of nuclear weapons by both the United States and Russia. This is a modest proposal that would not eliminate any of our existing defenses. Resolutions supporting the freeze will soon come before the Maine legislature and in several towns, including Woodstock. I urge you to support this action and to let your state and national representatives know your feelings.

If no attempt is made to change the current trend, how do you think the story would end? Considering the alternatives, the freeze proposal is certainly worth trying.

To the Editor:

For 12 years Arthur Gilbert has been West Bethel's Postmaster, serving a growing clientele with courtesy and helpfulness, always. On the 19th he retired.

I had known him for many years as a good kind neighbor, helpful to my family and me, so I was not surprised at the excellent service he has given us at our Post Office—the "prettiest P.O. we have ever seen." I have heard more than one tourist say, as they stopped to snap pictures of it surrounding lovely flowers each summer. Inside hanging baskets have brightened dull winter days, for Arthur is a fine gardener.

His years of service happened to coincide with those during which I had a very large volume of mail passing through this P.O. due to my work in one national organization, plus some smaller ones, and this mail did in connection with a quarterly newsletter pose problems, sometimes, for me, Arthur advised me of the postal regulations and ironed out the problems efficiently.

I feel certain all those using this P.O. in West Bethel, Gilead and the surrounding area, will miss him and wish him a very happy retirement with his wife, Ruth, a couple who surely live by the "Golden Rule."

I am also sure that we will welcome Mrs. Charles Merrill whom we have met as a temporary worker previously, and enjoy her pleasant smile and friendliness, and hope she enjoys being Postmistress here.

Sincerely,
Mrs. Elizabeth Mason Carter

8th ANNUAL HERITAGE DAY AT MOSES MASON HOUSE

The eighth annual Heritage Day was held Saturday in the Dr. Moses Mason House. Sponsored each year by the Bethel Historical Society, the event focuses on America's heritage, particularly that of the local area with a variety of craft demonstrations and exhibits, historical films, art show and special tours of the museum. This year, Doctor and Mrs. Mary Perkins were on hand to greet visitors on a tour of the museum as they enjoyed the traditional Indian pudding served from the winter kitchen fireplace, much as it might have been in the days of the Masons.

Mrs. Helen Morton arranged the art show this year and exhibitors besides her own work included Walter Clark, Sarah Head, Elizabeth Woronoff, Sue Wight and Donald G. Bennett.

Craft demonstrators and exhibitors included Elizabeth Lord, quilting; Robert Grover, wood-working and stained glass; Florence Hastings, rug braiding; Agnes Haines and Cathy Newell, basketmaking; Marjorie Cummings, bookbinding; Barbara H. Brown, dried flower arrangement; Mem En-

right, spinning, and Jean Bass, weaving.

Historical films included "Ghosts of Cape Horn" which highlighted the fate of Maine Clipper Ships as they attempted to round the treacherous waters of Cape Horn and "Eighteenth Century Life" which focuses on the ordinary life of a family in Williamsburg, Va., in the eighteenth century.

Approximately one hundred attended the one day affair.

The Society is grateful to all who contributed to the success of this annual event including guides Floribel Haines, Marge Noll and Judy Haskell as well as museum storekeeper Hazel Newell.

Guest speakers included Congresswoman Millicent Fenwick of New Jersey; Mrs. Ann Mills Griffith, Executive Director of the National League of POW/MIA; Mrs. Sarah McClelland, journalist; Edward L. Culvert, chairman, New York State Labor Relations Board; Robert Steeves, United States Deputy of Consumer Affairs; William Usery, former Secretary of Labor, who served under four former Presidents; and Ms. Shirley Sandage, National President, Displaced Homemakers Network, Inc.

Other activities included a visit to Capitol Hill where conferees met with their Senators and Representatives to discuss current issues of concern, culminated with a tour of the White House and tea with First Lady Nancy Reagan.

Jeri has been active in the Auxiliary for 15 years and is a member of the Mundt-Allen Unit, in Bethel.

NEARLY 50 COMPETE IN STAN FOX CUP RACE FEB. 17

Nearly 50 skiers competed in the Stan Fox Cup Race on Feb. 17 at the Sunday River Ski Touring Center. Sponsored by the Bethel Nordic Ski and Outing Club, and hosted by Imkeeper Steve Wight, the day was highlighted by perfect weather, the presence of Stan himself (who barked only when asked to yodel the racers to the starting line) and the low altitude fly-over of an Air Force jet as the race began.

Following the 3 km and 5 km races, Steve Wight announced and Stan Fox presented awards to winners in the various age groups listed below.

The Bethel Nordic Ski and Outing Club is indebted to Sunday River Inn, Denison's and Groan and McGurn for their generous contributions to the success of the day.

Ages 7-9: 1. Mike Miller 11:18 (Andover); 2. Kevin Davis (Bethel); 3. Karen Haskell (Turner); 4. Dean Angeline, 5. Kristen Powell; 6. Matthew Bean (all of Bethel).

10-11: 1. Brant Remington 9:33 (Bethel); 2. Matthew White, 3. Nancy Miller, 4. Patti Jaros, 5. (West Paris).

16-19: 1. Andy Chase 14:57 (Locke Mills); 2. Virginia Kelly (Bethel); 3. Tim Akers (Andover); 4. Lawrence Smith, 5. Julie Hastings (Bethel).

20-29: 1. Douglas Zinchuk 18:47 (West Paris); 2. Mike Simoneau 16:57 (Jay); 3. Bob Remington (Bethel); 4. Ken Remsen (Bangor); 5. David Carter (Oxford); 6. Old Dyjak (Orland); 7. "CLIMB A TALL MOUNTAIN" AT GOSPEL CENTER FEB. 28

Climb a Tall Mountain will be shown Sunday evening, Feb. 28, at 6 o'clock at the Bethel Gospel Center of the Christian and Missionary Alliance, Route 26, Bethel.

This beautiful motion picture filmed in a tiny village high in the Swiss Alps, tells the story of Heidi, Peter, their good friend Hans and a very wise grandfather.

Hans' anger at the loss of his puppy causes a serious accident and terrible injury to little Peter. Heidi's friendship for Hans turns

to hatred and she vows to get even. Hans, filled with remorse goes to the grandfather for his wood-carving lesson and learns that God, the Master Carver, can only shape our lives and make them beautiful after we have invited the Lord Jesus into our hearts.

This tender message of God's love and forgiveness, magnificent Swiss scenery, beautiful children and a wise Christian grandfather are skillfully blended to make the dramatic story, Climb A Tall Mountain, an important adventure for your family. Everyone is cordially invited to see this fine family film. No admission is charged, a free will offering will be received. For further information call 824-2289.

GILBERT HONORED ON RETIREMENT

Relatives and friends in the community gathered in the West Bethel Union Church dining room following church services on Sunday to honor Arthur Gilbert on his retirement as Postmaster of West Bethel Post Office.

Rev. Rust read two appropriate poems and presented him with a book and a gift of money from friends. A special cake was enjoyed by those present.

The Chapel Aid served coffee, punch, sandwiches and cookies. Mr. Gilbert has been Postmaster in West Bethel for the past 13 years.

Mrs. Caroline Merrill is Officer-in-Charge pending appointment of a new Postmaster.

MAKE FINAL PLANS FOR CANCER BENEFIT X-C SKI PARTY

Final plans for the X-C Ski Party for the benefit of The American Cancer Society were made in a meeting of the committee at the Sunday River Inn Sunday evening. Members of the committee include: Jack Trinward, Steve Wight, Bill Cury, Gerta Prebble, and Jim Prentiss.

The Party will be held on Sunday, Feb. 28, from noon until 4:30 p. m. at the Sunday River Inn X-C skiing facilities.

A donation of \$5 per person or \$10 for a family will include the trail fee and a charcoal grilled hot dog, hot drinks, and squares served at the covered bridge. For those who don't wish to ski back to the Inn, transportation will be provided. At 4:30 there will be a drawing of all registrants for gifts donated by area merchants.

The following merchants from the Bethel area have donated gifts for the occasion: Charlie's Place, Bethel Spa, Brooks Bros. Inc., Mothers', Bridge Street Gulf, Denison's, Edelweiss, Glidden's Bethel IGA, The Brass Buckle.

From the Rumford area the following merchants have donated gifts: Carlisle's, Hamann's, Blackie's Ski and Sports Shop

A CENTURY AGO Newry

— From The Oxford Democrat —
February 21, 1982:

The Bethel Literary Club met Tuesday evening with Miss Ada Twitchell. There was a large gathering and unusually enjoyable meeting. After hearing the secretary's report, each member gave a quotation from Shakespeare. The quotations were followed by the reading of the third and fourth scenes of the third act of Hamlet. Dr. N. T. True as King, A. E. Herick, esq., as Hamlet, and Miss Annie Favor as queen, rendered their parts in a manner to elicit especial praise. A sketch of the life of Thomas DeQuincy was read by Mrs. D. S. Hastings, and "Murder considered as one of the fine arts," was read by Miss Mattie Burnham and Mrs. G. R. Wiley. A very attractive feature of the evening's entertainment was the singing of Mrs. Sadie Tuell. The club adjourned to meet Monday night with Dr. N. T. True. In two weeks the anniversary of Longfellow's birthday will be celebrated by the Club in accordance with a program adapted to the occasion.

February 28, 1982:

The Weight Festival, which was to come off, as noted in the Democrat, last week, at the Water Spout Mountain House, has been changed; will be held on Tuesday evening, Feb. 28, at Pattee's Hall.

The Bethel Literary Club met Monday evening, Feb. 20, at the residence of Dr. N. T. True. After listening to the secretary's report, quotations from Shakespeare were called for, and nearly every person present responded with a gem from the mind of the world's greatest poet. The reading from Hamlet, which followed the quotations, was listened to with more than usual interest. The discussion and criticism following the reading were animated and instructive. Sketches of the life of Mrs. Elizabeth Barrett Browning, the authoress of the evening were read by Miss Cora Burnham and Dr. True. The following selections from Mrs. Browning's writings were read: "A Count Lady," by Miss Ada Twitchell; "An Island," by Miss Lilla Holt; "Cowper's Grave," by Miss Alice Billings; and "Bertha in the Lane," by Miss Nellie Chandler. The selections were well chosen.

Stoneham Knight Riders

The Stoneham Knight Riders will meet at the fire station, Tuesday, March 9, at 7 p. m. with a raffle and second auction. Everyone is welcome and any articles you no longer use will be accepted. Lunch will be served by the Club Ladies.

Tuesday, Feb. 23, President Bill Hunt, Fred Fox, Mike Cummings, Clyde Stanton and Frank Packard hauled the new flooring into the Club House, and there will be a detail date set to get it laid down. Mike Cummings and Clyde Stanton did some trail checking Wednesday, Feb. 24 and reported having covered 27 miles of excellent trails.

Arlene Bean and grandson, Scott Brown, of Bethel, had lunch with Arlene's mother, Jo Sanderson, Tuesday.

Lee Lord visited his sister, Gwen Pike, who was a patient at the Bridgton hospital this past week.

The local dogs are not being hitched up, which is the law, and many have been caught chasing and killing deer. Please keep track of your dogs.

Most of our schools have been enjoying a week's holiday.

Selectman Willard Wight has announced he will not be a candidate for re-election at the Annual Town Meeting, March 1. Wight has served as selectman for the past seven years. Both Roger E. Hanscom, who has served 31 years and Stephen Wight, six years, have indicated they would be willing to serve again, although Hanscom has announced that he would prefer not to serve as chairman again. A. Lee Swan has announced he would be a candidate. Three selectmen will be elected for one year terms. No vacancy exists on the Board of Directors for M. S. A. D. 44 for this year. It is understood that Mary Tripp will be a candidate for re-election as tax collector and June Swan as town clerk and treasurer.

The Planning Board held a public hearing on the combined Flood and Shoreline Zoning and Building Permit Ordinance at the home of Julie Daye Monday evening with a small attendance. The ordinance was approved for vote at the Town Meeting on March 1.

The Windy Valleys Snowmobile Club wishes to thank all who helped contribute to the \$1,044 pledged to the Oxford County Association for Retarded Children. This pledge was turned in to the Ride-In 82 Chairman on Sunday, Feb. 21.

Thirteen members of the Windy Valleys Snowmobile Club went on the 1982 "Ride A Thon" to Rumford Sunday. Making the trip were Mr. and Mrs. A. Lee Swan, Mr. and Mrs. Willard Wight, Sylvia Harrington, Edward Bennett, Norman Duran, Newry; Mr. and Mrs. George Merrill, Hanover; Gary Wight, Bethel; Fred Anger, Massachusetts; Tony Bianco, North Scituate, R. I.; Carl McKenna, Rumford. The group met with other clubs at Rumford for dinner.

Brent Black, Barre, Vt., visited his grandparents, Mr. and Mrs. A. Lee Swan, last week. He returned home Sunday.

The Newry Ladies of the Extension met at the home of Iola Forbes for an afternoon meeting Feb. 18, with six members present. Get Well cards were sent to Leona Lurvey and Grace Buck. An enjoyable meeting on Health Foods was led by Iola Forbes. Refreshments were served. The next meeting will be March 18, at the home of Marjorie Cummings. The subject will be safety.

Miss Penny Bean, Bethel, called on her grandmother, Freda Robertson, Sunday.

Freda Robertson and Robert Duran visited Mrs. Bernice Glover, Andover, Saturday evening.

Mr. and Mrs. Harry Morton and Emily were dinner guests of Eleanor Morton, Sunday.

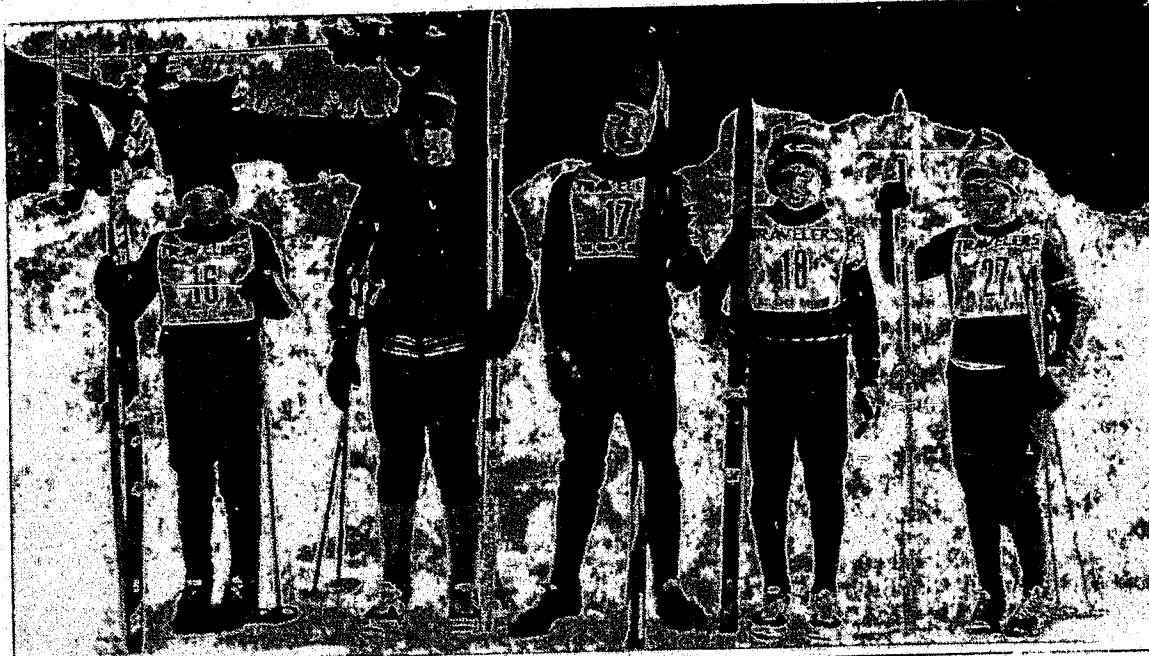

Selectman Willard Wight was in South Paris Friday to confer with Rupert Aldrich, the Town's attorney, on the dispute over the Bethel-Newry town line. There is a well defined line, with stone and cement markers, between the two towns, which has stood undisputed for well over 100 years. However this line has angles, and Bethel officials claim that the line should be straight. In 1975, without consulting Newry officials, Bethel hired a surveyor and ran a straight line. This was brought to the attention of Newry officials when irate property owners consulted Newry Selectmen about the change in the line. Since that time Bethel and Newry officials have met several times but the matter has not been resolved. Last month, Bethel served papers on Newry to bring the case to court. Attorney Aldrich will consult with Jeffery Houle, Bethel's attorney, to see if the matter can be settled out of court. If not, it is expected that court action will be taken. It is felt by Newry Selectmen, and several land owners along the line, that a line that has stood for from 100 to 175 years, should stand. If the well defined line can not be established as the proper line, it is expected that the case will go to court.

O.C.C.S. SEEKING HEAD START CHILDREN FOR 1982-83 YEAR
Oxford County Community Services Head Start Program is now recruiting children for the 1982-83 program year. A child should be four years old on or before Oct. 15, 1982, live within the school district and fall within established income guidelines. Children with handicapping conditions are encouraged to apply.

Telstar R. H. S. News

by Lisa Polzel

The Winter Carnival week at Telstar was fulfilled with contests every day. Class skits were performed on Wednesday. Some included versions of Snow White and Cinderella. Outdoor activities were held Thursday afternoon with indoor events all day Friday. In the afternoon a fine Army Band supplied entertainment. Posters and snow sculptures were judged that same day. Seniors won the Winter Carnival in Disney Land by a mere 6 points, followed by the Juniors, Sophomores, and Freshmen.

The semi-formal dance was held Saturday night. There was a good turnout and all were pleased with the music provided by the band Graffiti. Carnival King and Queen were Budha Palmer from Andover, and Norma Aron from Upton.

On Thursday, Feb. 25, there will be a mid-year open house from 6:30 to 8:30 p. m. This is for high school parents who wish to talk to the teachers on individual student progress.

Some past physics and chemistry sucker winners were: Brett Barton, Sean Kersey, John Schachter, Lawrence Smith, Patti Hudson, Julie Gunther, Melinda Mason, Tom Buckman, and Michele Goodman.

Mr. Kersey held a Physics Steamboat Race. The students constructed their own boats out of many materials like metal, wood, wire, candles, plastic, and Serno heating devices. Some used actual toy boats with steam pressure engines attached.

The good designers were Robbie James, Sandra Greenleaf, Nathan Wight, Jill O'Donnell, and Bernie Gatchell. There were a few submarines. Becky Jodrey's was one of them. Becky's did get going her second try. A blazing fire was aboard Tim Kersey's "yacht". Many different ideas and styles were exposed. The awards for the contests were for the fastest, biggest, smallest, the lemon, engineering, prettiest, and the submarine. Out of the three classes the fastest steam boats were made by Lawrence Smith, Eric Clements, and Denise Bodemer.

During the week of March 15, all juniors and seniors will be working on a project where they will have to go out and find jobs and experience working in the many business areas. Contracts will be drawn up for each individual's work-study. Thomas Riley is the coordinator.

The Drama Club is working hard on their new, one-act plays. Sets are being constructed and parts have been assigned to the excited club members.

eral land owners along the line, that a line that has stood for from 100 to 175 years, should stand. If the well defined line can not be established as the proper line, it is expected that the case will go to court.

CHAMPIONSHIP QUALIFIERS

On Sunday, Feb. 28, these five Bethel skiers plus Daphne Bills will take part in the Bill Koch Youth Ski League Championships at Tupper Lake, N. Y. Left to right: Kevin Davis, Brent Angevine, Jay Davis, Brant Remington and Dean Angevine.

ANDOVER GIRL SCOUTS

On Feb. 13 at the Andover Elementary Gym the Girl Scouts held a fund raising supper for the Washington, D. C. trip. The supper was well attended and the Girl Scouts would like to thank those who made it possible.

On Feb. 14 a sale was held at Akers Ski Shop for the Bill Koch ski races. Baked goods, hot dogs, sandwiches and drinks were available. Thanks again to those who donated and helped.

The afternoon of the 14th Troop 674 left for a winter camping trip. Had a great time camping, sliding and EATING!! Those going were Bobbi Lyn Littlehale, Karen Simmons, Sandra Morton, Karen Morton, Gwen Hutchins, Paula Michaud, Patti Jaros, Marsha Hutchins, Erin Walker, Jenny Milton, Debra Morton, Betsy Morton, Tina Hansen, Beth Hutchins, Cathy Cronin, Michelle Bell, Kristi Clements and the leaders, Shirley Gammon, Karen Milligan, Copper Hutchins, Mary Anne Jaros, and Sharon Hutchins.

The group learned how to cook on a wood stove, how to prime pitcher pumps, and what it's like to use outdoor plumbing.

The weather was agreeable and the group earned the Council's Snowdrifter patch, plus giving over badge books and completing some badges.

Such a good time was had, the group hated to leave the "hill house" on Tuesday at noon.

— Carolyn M. Colby, Corres. —
Marion Soule, Palermo, spent the week end with Leah and Joe Deegan.

There was standing room only at the Greenwood Variety Show Saturday evening. The entertainment was very good, I understand. Leah, Marion and Ronnie and Sally Smith attended. Four-year-old Koral Smith and her dance group were participants.

Allen Kinsella and son Sean, from Goshen, Conn., stayed with Marc and Leslie Moore Thursday and Friday.

Marc, Leslie and children were guests of Jack and Kathy Larsen in Pittsfield, Saturday night.

In her phone call from Hawaii, Kathy Deegan told her folks it has been uncomfortably hot, but, since according to the calendar they are still officially in their winter months, the government refuses to let them turn on the air conditioners. Kathy has just transferred this month to Hawaii from England, where they have been having their worst winter in thirty years, consequently it must be a little difficult to get acclimated.

CARD OF THANKS
My heartfelt thanks to all of you who remembered me with your acts of kindness while I was in the hospital. Also to Dr. Wadhwa, the Rumford Hospital staff, the wonderful B.E.A.R.S., and my loving family.

South Woodstock

— Olive Davis, Corres. —

Mr. and Mrs. Arthur Andrews called on Olive Davis Monday afternoon. They brought gifts to her in honor of her birthday.

Richard Felt played with Angelo Onofrio, Ellen Hathaway and Carl Brooks at the Ledgeview Nursing home Sunday afternoon. Mr. Felt procured other numbers for the program. This was a rockathon for the heart fund for which they were able to collect a good sum. The people in the home took part in the wheel chairs and rocking chairs. Marta Clements' church class took part in wheeling the chairs for the contenders. All seemed to enjoy the party with eats and sodas served at times during the afternoon.

Mr. and Mrs. Carl Brooks invited Olive Davis to go shopping and out to dinner in honor of her birthday. Later after getting back to the Brooks home, Lettie served big pieces of custard pie as dessert. Delicious.

I also had 25 cards which surprised me. Many many thanks to you for all your thoughts.

I would like to correct the error in Pomona meetings for March. Oxford Pomona #2 will meet with South Paris Grange March 2 instead of Bear Mountain Grange at South Waterford. The meeting in South Waterford will be April 6. We were shocked to hear of Durward Lang passing Monday night. Our deepest sympathy is extended to his wife, Iva, and family.

Mrs. James Mason returned Friday from the hospital in Brunswick.

Mr. and Mrs. Nicholas Clements entertained his sister Fannie Brazier and daughter Jacky, from Sullivan, Monday and Tuesday.

The schools are enjoying a week vacation.

SQUARE DANCE
The Moloket Mixers will hold a square dance on Saturday, Feb. 27, at 8 p. m. at the Rumford High School. The caller will be Steve Roderick with rounds cued by Wally Weeks.

— Mrs. Colista Morgan, Corres. —

I read this week that the calendar in use at the time of George Washington's birth stated that he was born on Feb. 11. The calendar, Gregorian, adopted by the colonists was 20 years later, 1752 and made 11 days difference in his birth. Many older people refused to make corrections in birth dates and anniversaries. Those who did, used N S or O S after dates, Feb. 11 O S to indicate "old style." If one persisted on the changed date the new date read Feb. 22 "new style."

Now it is legal to change the date to the nearest Monday. Thus 1982 could read Feb. 22, NS, Feb. 11, OS, but was observed Feb. 15. Confused?

Most mornings as in January the cold has been biting deep. One morning however I could hardly believe; it registered 30 degrees. It stayed that way and was nice all day. Maybe we had earned it after working our way through January and this far into February. We have done enough winter penance, carried enough wood, and shoveled enough snow.

By no means did I think spring had arrived, just a day to spend some hours outside.

I slid down the bank pushed high by the plow at the roadside and went to the pond. I chose a snowmobile trail to follow up-pond.

Near Button-bush island I crossed to the left. Two weed stalks, gently moved and leaned, still white with winter and no hint of green.

A few gray clouds swirled across the blue.

I followed a water-way toward the bog-swamp, where I hoped the crust would hold so I could explore it a bit. I turned left from the ice toward the swamp, passing beneath a birch arch loaded with umbrella-shaped caps, toadstools.

Always there is something new

to observe, something not encountered before. To make a fresh discovery is always a possibility even though the route is visited many times. Just beyond this door-way a mouse had its lacy trail to the base of a maple tree. I stooped over to adjust my boot and there in a tiny crack I saw a light brown caterpillar in its fuzzy coat slowly making its arthritic way on the snow.

A short distance from here were rabbit tracks, where they held a convention then moved on.

The sun shone on a world of immaculate white. I took stock of my surroundings noting the curving ridges and deep piled stumps. At one place I came to a barrier of small cedar. As I pushed through, I looked down to see a dwarfish garden filled with colorful lichens. They had crowded together guarded by the scarlet British soldiers among pixie cups. The two are about the same size. But the brilliant dab of red, long ago named for the scarlet coats of the British, predominated. I pushed branches aside to enjoy this rare hidden garden of beauty.

Then back again I went to cross the pond and this time to climb the snow bank across the road from home.

It had been a very refreshing two hours.

As I write this, it is one month to spring!

Mr. and Mrs. Eric Adams and son, Joshua, are on a two-week vacation in Arizona. Mr. and Mrs. Gregg Inman are at their home while they are gone.

Mr. and Mrs. Leonas Holt were in Dexter on Saturday to see Mr. and Mrs. David Holt.

Ann Holt, Bethel, was at home on the week end. Lucy Bragg, West Sumner, called on her mother, Eva Felton, this week end.

Mr. and Mrs. Ardell Hayes, Auburn, were at the home of Doris Hayes on Saturday.

Sunday River

— Jeannine Fleet, Corres. —

Mrs. Barbara Yates, Damita and Eva, called on Mr. and Mrs. Arthur Myshrahl, of Mexico.

Tammy and Penny Fleet worked part of their vacation at Sunday River Inn in the cross country ski shop.

There were a lot of skiers and snowmobilers out for the vacation week. It was a very good week and the weather was up in the low 40's.

Mrs. Helen Roderick is a patient at the Stephens Memorial Hospital.

The Windy Valleys Snowmobile Club has the trail open from Bear River to Sunday River and through to Bethel.

Ed Daye and Brad Harrington were in Lewiston on Saturday.

Sent in by Eva Yates:

A nice clean, white Monday morning but so far no sun. We have enjoyed a few warm, sunny days that has encouraged this snow to think about moving out. So anywhere you went there were ponds and puddles all over. We can see out windows now that we could not a week ago. And Eveline next time you are watching skiers really look—I was way up on top ready to slide down the trail—I yoo-hooed to you and waved but your eyes were all on—Oh well I won't tell—if I did you would blush! The Go-Shoes haven't been out too much this past week. Monday night they were at Franklin Grange at Bryant Pond. Tuesday while the Go-Shoes were all warm, we went to Norway and Lewiston. Laura Hutchins went with us and we had dinner out. First time I was in a restaurant where the waitress dropped the tea bag on the floor and picked it up and put it in the cup.

Peggy Blake had supper with us one night. Saturday evening callers of Joe and yours truly were Mr. and Mrs. B. H. Yates. Peggy Blake spent the week end with her daughter and new son-in-law, Mr. and Mrs. Bernard White and family in Auburn, and attended the Ice Capades after a delicious seafood supper. Her granddaughter, Lorna Carter went with her. Saturday, Joe and I splurged and had dinner in a restaurant.

Eva Yates was in Lewiston on Tuesday to the foot doctor.

Won't it be nice when we can look out the windows and see the cars go by. One week from today will be March 1. Old January is past so now time flies—January

TRINWARD NAMED LICENSED PROFESSIONAL ENGINEER IN MAINE

John G. Trinward, son of Dr. and Mrs. John W. Trinward of Bethel was recently named a licensed Professional Engineer in Maine. He, his wife the former Pamela Jabar of Waterville, and their son, John Jr., reside in West Chester, Pa., where he is employed as a technical sales engineer for NALCO Corporation.

A Professional Engineer is a person who has graduated from an accredited university with a Bachelor of Science degree in some phase of engineering, has at least four years of approved engineering experience after graduation, and has passed a 16 hour exam administered by the state board of registration for Professional Engineers. He must also be recommended by several of his engineering peers and his employer. The license allows him to perform consulting work and produce legal plans and specification for construction documents.

John is a 1971 graduate of Telstar Regional High School, received his Bachelor of Science Degree in Engineering Physics from U.M.O. in 1975 and his Masters Degree in Business Administration from U.M.O. in 1977.

NEWS FROM THE CHAMBER OF COMMERCE

Next Tuesday the Chamber's board of directors will meet to finalize an agreement with W. J. Wheeler & Co. for a group life, medical and/or disability insurance program that will then be made available to any business member of the chamber. The Wheeler company currently handles a similar type of program for the Oxford Hills Chamber of Commerce.

The chamber has received a small copy of the 1982 edition of the Maine Publicity Bureau's principle magazine of Maine. This year's Bethel's advertisement in the publication features a photograph of the summer house at the Moses Mason Museum.

PERHAM RECORDS ALBUM AT THE OUTLOOK STUDIO

Noted Maine humorist and story teller, Joe Perham, has completed recording an album of "Outhouse Humor" at the Outlook Recording Studio in Bethel. The performance was recorded live in front of an audience which included friends and relatives and many fans from the Bethel area. The album, engineered by Ted St. Pierre, will be released on Joe's own independent label, and will be available locally very soon. This is the first in a series of recordings which he hopes to complete on a variety of subjects, both humorous and dramatic.

Another project which was recently completed at the Outlook was a series of radio commercials for Sunday River Skiway. These commercials, featuring the voice of Les Otten, are being aired on many New England radio stations.

WEST BETHEL UNION CHURCH
"The Christians" film series began at Moses Mason Museum on Wednesday, Feb. 24, at 7:30 p. m. and will continue through Lent. All are invited. No charge. Eight films are to be shown in an exploration of our Christian "roots".

In Norway, Feb. 21, to Mr. and Mrs. Larry Bennett (Janice Young) of Bethel, a son, Matthew Lawrence.

DIED

In South Paris, Feb. 18, Mrs. Carrie (Netta) Cole of Greenwood, aged 79 years.

In Hackensack, N. J., Feb. 18, Edward Kenneth Stanley, native of Bethel, aged 74 years.

CHRISTIAN FILM SERIES: "THE BIRTH OF EUROPE"

At the next session of the film series "The Christians" sponsored by the University of Maine at Farmington Public Services Division, the Maine Council for the Humanities and the Film Services Division of the Maine State Library in cooperation with the Bethel Historical Society, the featured film will be "The Birth of Europe." It will be shown at 7:30 p. m., Wednesday, March 3, in the meeting room of the Dr. Moses Mason House.

The film series is free and anyone interested is cordially invited to attend.

BETHEL AND VICINITY

United Methodist Women will be meeting on Thursday, March 4, at 1:30 p. m. at the annex of Bethel Methodist Church.

Priscilla Webster, daughter of Mr. and Mrs. Drew T. Webster of Bethel has achieved Honors List standing for the Fall semester at Barrington (R. I.) College.

Mrs. Charles D. Merrill visited last week with friends and family in the Waterville and Augusta area. She spent one night with Mrs. Phyllis Dickey and visited her aunt, Mrs. Aarne Cummings, Augusta; and spent another night with her daughter and family, Mr. and Mrs. Chris Murphy and Nicholas, Waterville.

MISS WILBUR TO COMPETE IN MISS T.E.E.N. PAGEANT

Miss Theresa Wilbur

Miss Theresa Wilbur, age 14, daughter of Mr. and Mrs. Harold Wilbur Jr. of South Woodstock, has been selected to compete in the 1982 Maine Miss T.E.E.N. Pageant to be held at the Holiday Inn downtown, Portland, July 9, 10, and 11. This pageant is the Official Statewide Finals for the Miss T.E.E.N. Pageant to be held in Albuquerque, N. M., in December of 1982. Contestants are between the ages of 14 and 18 and must maintain at least a "B" average in school. They are requested to participate in the Volunteer Service Program of Miss T.E.E.N. Through this program many young ladies are becoming involved in community activities by contributing at least 12 hours of time to some worthwhile charity or civic work. Throughout the nation, each state realizes over 5,000 hours of volunteer service in the program.

Among the prizes the winner of the Maine Miss T.E.E.N. Pageant will receive is an all-expense paid trip to compete in the National Finals at KIVA Convention Center, Albuquerque, N. M., and a \$500 Cash Scholarship to the school of her choice. Over \$20,000 in cash scholarships will be awarded at the National Pageant in December. Contestants will be judged on Civic Involvement, School Activities, Poise, Personality, and a choice of a Patriotic Speech or Talent. Miss T.E.E.N. being a scholastic pageant, no swimsuit competition is required.

Miss Wilbur is sponsored by Oxford Plains Speedway, B & E Orchards, Carrick Motors, and Minna Morgan. Her hobbies include dancing, skiing, and swimming.

— OBITUARY —
February 22, 1982—Bethel, Maine —Telstar Football—

From a small beginning to the bitter end they were a fine group of REAL young men. Through Tim, Brian, Dick, and others they loved to knock heads and come back for another crack at it. They won their share and lost enough but they never quit. Some were injured but they returned with a vengeance. They were my kind of people and we need more like them today.

Soccer is great, but someone has to teach me the rules and show me what the participants are like in five or ten years. I'm happy with most of our former football players. I hope the cents saved will be worth it—but I doubt it.

In lieu of flowers please support your local soccer team.
